Business Support Package

Now that you have received your copy of the '**Car Broker Business Opportunity**' Package, you now also become eligible to receive our exclusive and inclusive 'Business Support Package'.

The reason for providing this level of support is purely to help you grow your car broking business even more quickly.

By investing in this business opportunity, our full 'Business Support Package' includes our unique service to provide you with confidential advice and support to help get you up and running with your business.

Nobody gets left 'high and dry' – because it's about providing that level of support that everyone needs, and to realise that you're not on your own.

So, our on-going assistance, guidance and help covers:

- 'One-to-One' confidential support
- 'Day-to-Day' query handling and decision support
- 'Working' with sellers and buyers
- 'Telephone' support (24/7) – we're never far away and will always respond
- 'Email' support – If you need help or advice with any aspect of your car broking business? Simply email us and we'll give you all the help you need. All we ask is that you...
 1. Give a precise, straight-to-the-point summary of your query, and
 2. We also answer questions pretty briskly and to the point but being direct and focused on your questions is more important than 'padding' and 'waffle'.

This might be to cover any particular aspect, including:

- Setting up your own business either as a limited company or just as a sole trader
- What equipment or software you need or might need to help you
- How to get started
- What 'Tools of the Trade' you need – what's available and how to use them
- How to go about sourcing cars
- How to go about finding buyers
- What to look out for, what to be aware of
- Tricks of the trade
- Any and all issues you may have

Or indeed anything else that you have a question or issue about – or just need some help.

Our email address for all support queries and to get the ball rolling and start either an email or voice dialogue is: support@autocarbrokers.co.uk

Good luck with your business and we wish you every success.

It can be a lot of fun!
